Sandesh Jagdale

I am a B.Tech student in Information Technology at Shivnagar Vidya Prakash Mandal Engineering College, with strong hands-on experience in C, C++, Java, Python, and Web Development. I have worked on a variety of practical projects, developing a robust skill set in coding, web development, and problem-solving. With a commitment to continuous learning and a passion for technology, I aim to contribute my technical expertise to innovative projects in a dynamic work environment, while enhancing my skills and knowledge.
